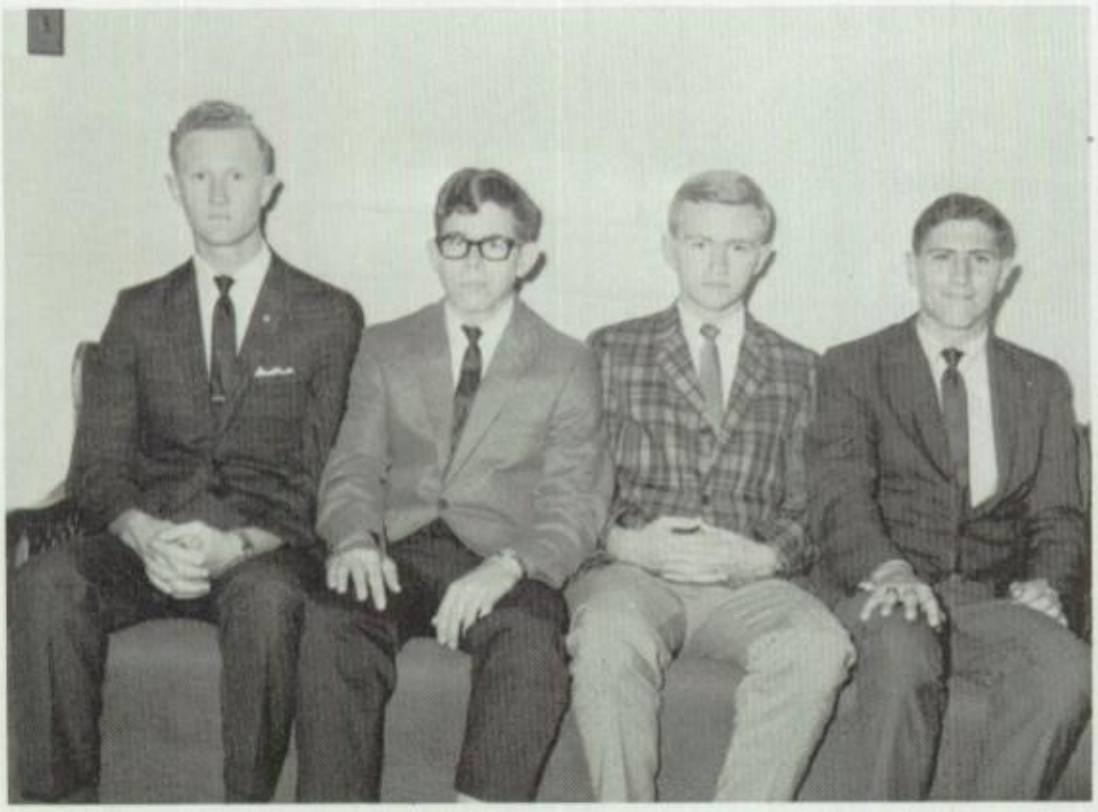
Clubbers challenged by Convention Theme



Secretary: David Stringfellow
Treasurer: Larry Moore
Vice-President: Mark Rosser
President: Jimmy Tew

Key Club favorite Linda Flowers holds title of Key Club Sweetheart.

"We Build", the motto of the Key Club is put into action by the boys of the Satsuma chapter, through helping the school, community, and churches. This group is a branch of the Chickasaw Kiwanis Club and Mr. Robert Imms serves as faculty sponsor.

Boys with a "C" average, good character and leadership ability are eligible to become members. The ones who have been honored as members are first recommended by the faculty then approved by the present members.

These clubbers show willingness to work in this area. This year one can see members policing the parking lot. Also they serve the school by tending the concession stand at ballgames. As a service for students they plan to buy heaters for the buses. By contributing money and a computer, the organization helped two academic departments, science and math. At Christmas the boys host a party for needy children in the community.

A charm bracelet memento is presented to Sweetheart Linda Flowers by club.

Beta President, Becky Terry discusses the prospect of selling Gator banners with head administrator, Mr. Faulk.

Satsuma High School's honor society is affiliated with the National Beta Club. This non-secret, leadership, service organization is under the faculty guidance of Mrs. Floyd. Its purpose is to promote the ideals of honesty, service, leadership, responsibility, and charity during high school years. The club's aim is to encourage and assist students to continue their education after graduation from high school.

Exploring into politics for the first time, the Betas entered member Linda Flowers into race for vice-president of the state Beta Club at their convention in Birmingham, Alabama last year.

One of their most successful service projects of the past year was their sale of jewelry to the students. The Betas co-sponsor after game dances along with the cheerleaders. Each quarter they compose the honor roll. The steady growth of the Beta Club assures for it a most successful future.

Last Years' Under Student Council Guidance

Student Government at Satsuma is under the leadership of the Student Council. Representatives from grades seven through twelve make up the governing body. The Council is in charge of such campus activities as Homecoming, Backwards Week, Safety promotion, United Fund drives, toy collections at Christmas, and conducting many elections. For the first time Student Council officers operated the Supply Store during summer school sessions. Members of the Council worked closely with the United Fund Campaign and through their publication school donations tripled above last year's.

Officers work during lunch study hall in order to make supplies available for students.

Cayman Staff Diligently Strives to

In hopes of producing a Cayman even better than past volumes, twenty staff members worked untiringly all year at their designated tasks. Beginning work during the summer and following the advice of Mrs. Eva Hendrix, freshmen, sophomores, juniors, and seniors recorded the year's pictorial forms for pleasure of faculty and student body.

The seventh period in room 29 was hectic as deadline dates approached. Pressure mounted, work piled up, while pictures were cropped, lay-out forms scratched out, copy hurriedly written, headlines typed. Five day meetings, weekend sessions, holiday conferences, and late hours way into night, all this is just part of the time consuming responsibility of a staff striving to produce a quality publication for the student body.

Ellen Meriwether, Edna Henson, Jackie McKleroy, and Rita Baker search for grease pencils that always seem to be lost.

Staff members rush to Post Office to send off annual pages before deadlines.

Satsuma's paper staff composed of students do the work necessary for publication--copy, typing, lay-out working, offset printing, and the final assembling.

The main purpose of the paper is to inform, entertain, and to circulate the news to the student body.

Students on the Gazette are to learn the major fundamentals of journalism and may follow a career in this subject. This course also gives the participants experience in typing, writing, copy-reading, printing, and spelling.

The members on the Gator Gazette Staff struggle to keep abreast with all the happening of today and to make certain that the student body is informed.

The Gator Gazette reduced its number of publications this year so the staff members could concentrate on better news stories and copies.

Headline cuts take up major time of members work.

Confidence Higher Than Any Previous Year

Sophomores, Lynne Mckenzie, Candy Fielding, and Sally Cox, tie spirit strings on cooperative students and teacher.

The Varsity cheerleader squad is composed of seven friendly, intelligent, skilled, and most of all spirited, girls. These representatives of spirit must be willing to work and practice many hours to become a uniform, precision group.

These girls, headed by Linda Flowers, decorated the halls with posters and signs requesting school participation. The out-of-town buses, run during football season, were sponsored by the squad. With the help of the Varsity cheerleaders, this has been a successful year of spirit and pride.

Seven Spirited Misses Travel to All Junior

Enthusiasm and vitality describe the eighth and ninth graders who form the Junior High Cheerleading squad. With their yells of encouragement and smiles of approval, they attend all football, basketball, and baseball games. Under the faculty guidance of Miss Jennie Dickens, the squad has traveled to all away games to furnish the junior maroon and whites with cheer.

This year, led by captain Mindy McGill and co-captain Brenda Porter, the cheerleaders have helped to spark the spirit and interest in the Junior High athletic program.

Spirited Band Displays Superior Ability

Drum Major, Leland Fuller, talks to Philip Reitzammer about half-time routine changes.

Preparing their own choreography and compositions the "A" Band proved their skills as they performed for half time football shows under the student leadership of Leland Fuller. At the beginning of the year the Band found themselves without a director. Instead of allowing this to alter their activities they joined together and set the pace for school spirit. Their spirit won them the first Spirit Stick awarded by the cheerleaders.

Their spirit did not halt as they completed the half time shows, it was also evident by posters, and skits performed at pep rallies.

Withheld Identity of Top Court Members

It was a festive occasion as graduates returned to their Alma Mater once again. Even the cold and rainy weather did not dull the atmosphere. The days were traditionally set aside to honor faculty, band, football players, cheerleaders, and the Homecoming Court.

For the first time the identity of the Queen was withheld until the pregame ceremony Friday night. Miss Gladys Brown was elected by popular vote to head the welcoming of the alumni. Also, the band chose for the first time a Band Sweetheart, Miss Linda Mays.

Trail Maids Project Southern Hospitality

Representing Satsuma and Mobile along the thirty five mile Azalea Trail and during the annual Azalea Trail Festival were Lynda Gafford, Jackie McKleroy, and Dannella Stewart. These three students were among six from Satsuma interviewed by panels of judges looking for such qualifications as character, scholastic ability, personality, beauty, and dependability. They were announced as finalists at the Greater Gulf States Fair.

Their representation went nation wide as the court participated in the Senior Bowl Halftime Show.

The climax of their year came when the thirty five mile floral Trail was officially opened in February. During this time our representatives, along with the entire court, were placed in the spotlight as they once again revived the charm and grace of antibellum days.

The two students learned more about our state government and were eligible to run for a state office.

Pam Shaw and Frank Cothran were selected by the senior class as recipients of Citizenship awards. Pam is the Daughters of the American Revolution Good Citizen girl and Frank received the Good Citizenship Award. Each was selected on the basis of service, loyalty, and leadership.

Portray Valuable Characteristics

On January 20th, six students from the Glee Club performed in front of Mr. Spann, an Assistant Chairman of State Music Educational Association. These six students are as follows: Frank Cothran, Jerome Cartier, Sylvia Danials, Sue Ellen Germany, Rita Cunningham, and Cathy Taylor. These students will compete with other high school students at Tuscaloosa on March 11-13 for the title of All State Chorus.

Six Satsuma High School students compiled their musical abilities at Mary Montgomery High School to win the title of Honor Band on January 13th. They are divided into three bands; the Blue Band consisting of Renee McCrory, Melvin Hall, and Harry Teaford, the White Band consisting of Mike Matheney and Philip Reitzammer, the Red Band consisting of Keith McKinley. Keith won Second Chair in Mobile County.

Juniors Tell "The Whole Truth"

A worried and upset Mr. Martin paces the floor.

When Mrs. Joseph Martin made her servants and her family promise to tell nothing but the truth, she had no idea that the results would be so complicated. Everything in the Martin household runs smoothly enough until, on the servant's day off, Mr. Martin suddenly receives word that an impressionable business associate is coming--and Mr. Martin must impress him with many servants. So, Johnny and Elizabeth become the chauffeur and maid, Aunt Helen takes over the cook's duties, and the local pastor is converted into the butler! But then the sweethearts of Johnny and Elizabeth arrive unannounced, as does Mrs. Martin's wealthy Aunt Mat, who dislikes servants! However, THE WHOLE TRUTH causes countless complications, only to lead to a happy conclusion through many mad-cap situations and much rib-cracking dialogue.

When Fred Hastings spends more money than his parents believe he is earning, when his friend Larry Madison attempts to get his chum out of hot water, and when an eccentric little lady of eighty decides to play football, and attempts at trying to preserve the sanity of the casual observers becomes futile.

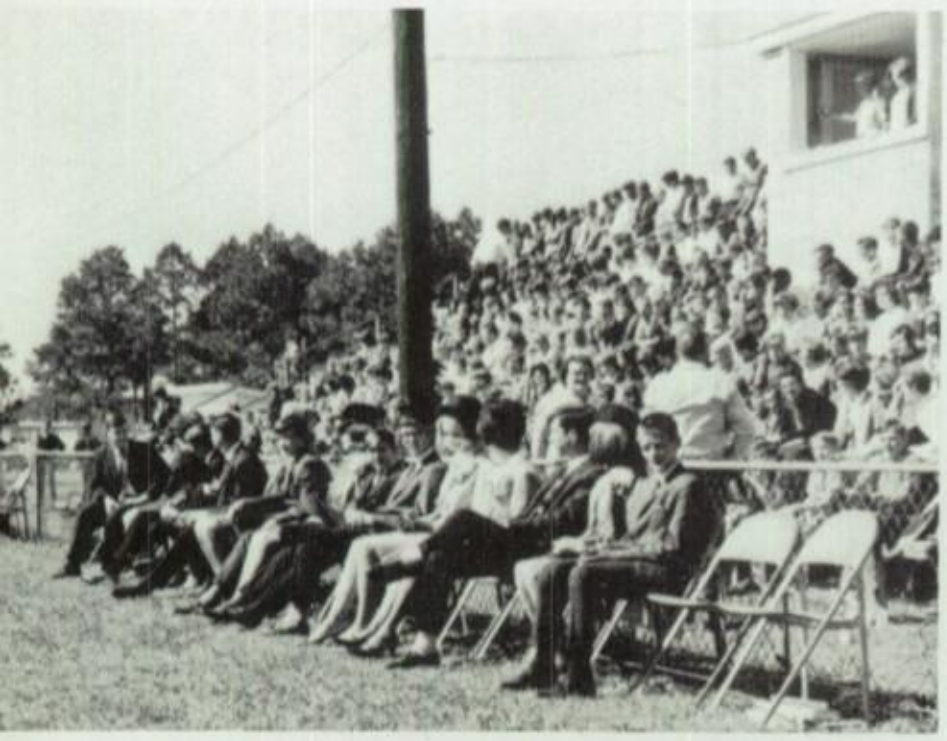
Fred's mother, Cora, is planning a birthday party for Fred's girl, Nancy, but when two strangers, beautifully feminine, appear, in the persons of Gloria Patterson and Lois Carwin, the plot thickens, indeed. Fred is doomed; his job as model for Glamour Girl Cosmetics is about to be revealed. But leave everything to Larry, Larry insists. Gilbert Hastings, Fred's father, is furious when he learns of Fred's modeling job. Nancy isn't sure how she feels about it; Julie Tucker's chief concern is being able to keep the puppy Larry has bought for her on the installment plan. And that's when Melinda Whipple, that wiry bundle of energy, eighty years strong, appears.

The birthday party? It turns out to be something slightly less than an open house affair, with a Mr. Danbury looking for local television talent, Bill Sterling looking for his girl and Melinda Whipple looking for enough space in which to make a touchdown in football. It's colossal, it's fabulous, it's hilarious.

Members of the senior play discuss their parts before rehearsal.

Seniors enjoy reading over script before rehearsal.

Junior High Celebrates First Homecoming



A glimpse of the Court shows them enjoying the remainder of the half time show.

This, being the first year for Junior High Homecoming, proved very successful. The identity of the queen was withheld until the half time activities. Excitement rose as Mr. Faulk crowned lovely Peggy Stringfellow as Satsuma High School's first Junior High Homecoming Queen. Adding to the beauty of the court were two maids from grades seven, eight, and nine. These girls were chosen by popular vote by their fellow classmates.

The Gators turned in a very fine performance again in '67. Slashing their tails and snapping their jaws, the GATORS led the 3-A conference until the last 2 games of the year. Losses to Rains and Montgomery forced the GATORS to wind up second in the conference, although they finished with a fine 11-7 over-all record.

The GATORS also placed Melvin George and Harold Sealy on the all-star team. Melvin was the third junior in Satsuma's history to get this honor.

Future teams look bright as 11 lettermen return from last year's squad, 8 of which are sophomores. The junior high teams keep supplying the varsity with outstanding prospects, and Coach Harrell formed another fine baby Gator ball club.

The Junior High team finished an excellent season with ten wins and two losses. The losses were to Azalea Road and Prichard.

The losses to Azalea Road and Prichard were repaired with good measure since the Junior High plays each team twice; they had another chance at each of these difficult foes. In the battle the "Baby Gators" fared much better in both games, emerging victorious. Since the Junior High teams do not have playoffs, the Conference Championships ended up in a tie for first place with Satsuma and Prichard sharing honors.

The "Baby Gators" matured much faster as a team this year. This was partly due to the schedule. The team played their hardest games first. Certainly it was due more to spirit on the part of the team and better spectator participation.

Coach Harrell guides nine Gators to a successful season.

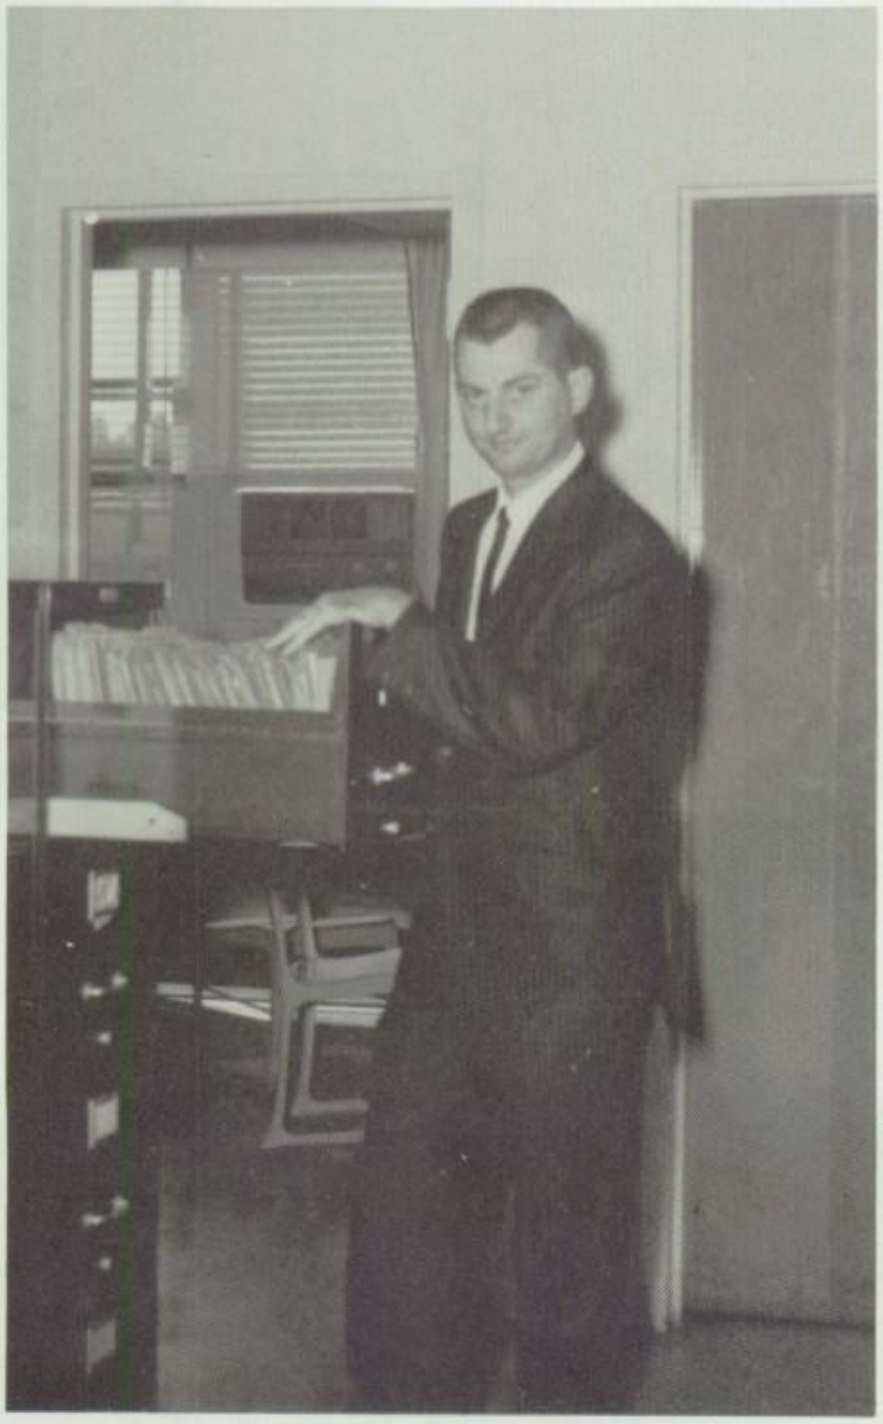
Mr. Robert Faulk

In the four years Mr. Faulk has been at Satsuma, he has devoted his time, patience, and integrity to the students. His helpfulness has been greatly appreciated and will continue to be so long as he remains with Satsuma. As the days have gone by, everything possible has been done making Satsuma a better school. Even though there have been times of trial and tribulation, he has led the students very well. Mr. Faulk is seen in the eyes of the students as a leader and a friend. He has organized Satsuma High School in such a way that more students have enjoyed coming to school, and the attendance has increased. Due to these facts, Satsuma High School students have learned to be proud of their school.

Many hours are spent each day talking over student problems with their parents.

Harmoniously as Head Administrators



One of Mr. Morgan's many tasks is checking students' folders.

Mr. Morgan takes time out from his many duties as assistant principal to pose for the CAYMAN.

The new school year of 1967 brought to Satsuma High School a new assistant principal, Mr. John Morgan. Mr. Morgan, transferring from Baker High School, has contributed his many talents and abilities to making his first year successful. He has taken the duties of assistant principal in stride, while at the same time, he has adjusted to a new school and new student body in a simple manner.

Mr. Morgan attended Southern Illinois University and Troy State Teacher's College for his degrees.

Mr. Morgan stated that our school was the largest school in which he has ever served.

Among his many duties, he handles reports, business committees, and necessary student discipline.

12 - 15 = 13

Start with 12 trees — harvest 15 — end up with 13! That's a miracle in anyone's book and yet that's just what the South has done in 25 years.

In 1935, Southern forests contained 120 billion cubic feet of wood. Since then, 147 billion cubic feet have been harvested. But these forests still contain more than 131 billion cubic feet — nine per cent more wood now than before that mammoth harvest.

I-P is proud that its foresters played a key role in this miracle of reforestation. Now they are meeting new challenges — like managing timberland for such varied purposes as watershed protection, hunting, and public recreation — or, using forest geneticists to develop improved strains of pines — or conducting complex economic studies in order to realize the greatest financial return from each acre of timberland.

This is truly modern forestry and it demands an ever-increasing number of college-trained men skilled in the latest technique of their profession.
